- more\_than: 5 题
- how\_much\_many: 5 题
- take\_pride: 5 题
- shall\_we: 5 题

解析要点：① **enough** 用法：① adj./adv. + enough (clean enough 足够干净)；② enough + n. (enough money/water 足够的钱/水)；注意不能用于 too ... enough 句式；  
② **more than** = over (超过)：more than three billion / more than two metres / more than ten years 等；  
③ **How much / How many**：How much 提问不可数名词 (water, money, pollution)，How many 提问可数名词复数 (factories, bottles, students, litres)；  
④ **take pride in** = be proud of: 主语为单数第三人称用 takes pride in，过去式用 took pride in；  
⑤ **Shall we do...?**：用于提建议，后接动词原形；  
⑥ **the + 比较级 ..., the + 比较级 ...**：表示"越.....，就越....."，前后都用 the + 比较级 (The more ..., the more / better / less / cleaner ...)。
